

Volunteer with Alberta Main Street!

Volunteering with Alberta Main Street is a great way to gain experience doing **community and economic development** for an organization that actively works with **city government** and **local businesses**. It's also a great way to simply network with NE Alberta Street's stakeholders!

We currently have four committees, all of which are looking for additional members:

- **Business Development** Responsible for analyzing current economic condition & identifying opportunities for market growth, strengthening existing businesses & recruiting new while supporting the overall health of the district.
- **Design** Responsible for getting Alberta Street into top physical shape including physical improvements to buildings, businesses and public space.
- **Equity** Responsible for ensuring distribution of our resources and benefits to underserved members of our community.
- **Promotion** Responsible for promoting Alberta Street as the center of commerce, culture and community life for both residents and visitors.

Each committee meets once a month with each member devoting a few hours per month to projects on Alberta. *Volunteering on our committees can = college credit!*

Join us at our next Volunteer Orientation!

Alberta Main Street Volunteer Orientation

When: Thursday, November 6th at 6:30PM Where: Alberta Main Street HQ 1722 NE Alberta Street // Portland, OR 97211

RSVP: http://albertamainst.org/get-involved/volunteer/

Questions?: Contact Sarah Celine at: sarahceline@albertamainst.org

Alberta Main Street advances efforts to develop Alberta Street as a vibrant, creative, equitable and sustainable commercial district serving residents and visitors to our community.
