East Africa Initiative Program

In collaboration with the Foundation for Sustainable Development (FSD), the **Moreau Center** will be sponsoring a 9-week summer immersion to East Africa in 2015. Students will work as interns with the FSD and will be immersed in Kenyan culture, working with grassroots organizations to develop sustainable solutions to

Wellness Education and Prevention Program Internship - 3716285

The Wellness Education and Prevention Program at UP supports the whole health and development of University of Portland students through providing educational programming addressing overall wellness promotion, substance abuse prevention, and violence prevention.

Career Services @UPCareers

Follow **Career Services on Twitter (@UPCareers)** for up to date information on events around campus, articles on your internship search, making the transition between graduation and full time employment, and much more!

For more resources, check out the [Career Services Student Portal](#). Find information about what to do with your

important issues facing the community. Sophomore and Junior students with some previous travel and service experience are encouraged to apply, however all applications are welcomed.

This internship will count toward required or elective Pamplin School of Business internships and Entrepreneur Scholar Apprenticeships.

Applications will be available Oct. 31 at up.edu/moreaucenter and are due **Friday, November 21st**. Questions? Please contact Dr. Dave Hougum at hougum@up.edu or 503-943-8559.

Intern Duties include:

- Provide wellness promotion efforts addressing behavioral choices (sleep, nutrition, exercise, mental/emotional health, and spiritual health), among other public health and mental health concerns.
- Customize education utilizing 'Pilot Pride' educational framework to meet the unique needs of UP's student population and campus culture.
- Publish monthly wellness publication, "Well Now," that educates campus community on all areas of wellness and prevention education.

For more details about the position and instructions for how to apply, see [College Central Network](#), Job ID # 3716285. **Applications due Friday, November 7th.**

major, resumes and cover letters, interview preparation, and more.

Not sure what you want to do after you graduate and not sure where to start? Register for [E4 Career Prep](#). This online resource is a four phase guide to help you design your plan of action during your time at UP.

It encourages you to take advantage of the multiple resources available to you on and off campus.

Want someone to look over your resume before you start applying for jobs or internships? Visit [Express Advising](#), available daily. No appointment needed, Express Advising operates on a first-come, first-served basis.
